The Clintonville Recreation Center is operated by the Park & Recreation Department. Many people still refer to the facility as the "Old Armory", as the building was built in 1922 and operated by the State of Wisconsin as the National Guard Armory until the City of Clintonville acquired it in October of 1987.

The office of the Park & Recreation Director is located in the facility and the department phone number is (715) 823-7660.

The facility is used for many purposes in addition to the Park & Recreation Department office. These uses are listed below.

The facility can be used for many different kinds of activities on a private basis, such as birthdays and anniversary parties, weddings, dances, family reunions, gym rentals for basketball/volleyball and other sports, large and small group meetings, plays, etc. If you have an idea for an activity we can probably work with you to accommodate your needs. The department has available a wide variety of equipment to assist you with your event. Just ask!

The facility has approximately 20 tables and 125 chairs available. Although there is not a kitchen, you do have access to numerous outlets with a catering option as your best choice.

The facility is also used for City of Clintonville Storage, Clintonville Food Pantry, Clintonville Area Historical Society, Nicaragua program and Recreation Programs.
